

Clarification on para 4.0 of Candidates Alert-Document Verification for various posts of NTPC (G) under CEN 03/2015 published on 18-08-2017 on RRB ALD website-Regarding EBC certificate.

We have been receiving emails and queries on phone regarding EBC certificate in prescribed format (Annexure-IV) from candidates. Candidates were showing problems in getting fresh EBC certificates before their DV date. In this context, candidates were advised in para 4.0 of Candidates Alert-Document Verification for various posts of NTPC (G) under CEN 03/2015 published on 18-08-2017 on RRB ALD website, that they should bring and produce Income certificate for Economically backward class on the basis of which they have sought examination fees exemption at the time of submitting online application (on or before closing date 25-01-2016).

It is again clarified that candidate who sought exemption of examination fee on economically Backward class certificate, should bring and produce Income certificate (annual family Income less than Rs50,000/-) for Economically Backward class containing the same text/matter as given in the prescribed format (Annexure-IV) which they possess at the time of submitting online application and issued by authority mentioned in Annexure-IV, and/or fresh/new Income Certificate for Economically Backward class issued by authority mentioned in Annexure-IV at the time of document verification.

It is also clarified that as per para 4.01 of CEN 03/2015, the candidates belonging to SC/ST/Ex-servicemen/PWDs/Women/Minorities/Transgender are exempted for examination fees and hence they need not bring and produce Income Certificate for EBC at the time of DV even if they sought exemption on EBC certificate in their online application.
